Part 3 – Desired outcome

Provide a summary of your submission:

The ASM for service in Malaysia needs to be seriously considered. I served at Butterworth for a period of four months during 1976 with Delta Company 6RAR. During that time any breach of Military Law was executed under active service provisions and penalties according to that decree were active for all whom served at Butterworth. We were also issued with live munition when carrying out a variety of security details around the air-base including small arms, hand grenades and the M60 machine gun. We also carried out clearance procedures with live ammunition prior to live firing on a Royal Malay Regiment live firing range in the State of Kedah.
