Dear Jay Kopplemann,

With respect to all,

I think what we have really seen last week and this week with the Ex Prime Minister.

Those actions speak volumes of what is behind the very reason why we are all a party to this Tribunal seeking the real truth not just someone's version but what open and transparent Government and Departments and Tribunals should strive to find for all our sakes.

My Cousin was there for a reason in Kuala Lumpur like he was in the middle east or wherever there was a global hotspot coming to the boil.

The leader of the opposition and several other Federal MP's this week stated that 2020 and 2021 was "warlike" if that is their rule of thumb then RCB was definitely "WARLIKE" yes in Capitals.

I know what I saw, I know what I witnessed and I know what I heard in 1988. It's time the truth was opened on this and those of us who carry that truth are rewarded with the real facts and not some closed redacted version.

P.s where is my ASM SE Asia with clasp please?

Yours Sincerely

James Redgrave
