I was in Malaysia Nov 1973/ Mar 1974 , Anthony J Sutcliffe 62587 Private. Acoy 3RAR Woodside South Australia. We were there to guard the Malaysia & Australia air planes , family's. We carried live rounds. We're on stand by for any breach on fence lines. We did crowd control. I with other soldiers, looked after a soldier. Been guarded for trip back to Australia . I done a will at the age of 18years. We done a job for war/like service. It's been a big lie from the Feds about our service. I think it's time for now to give the right from wrong .To make our service war/like. It's been a long time. There is not many RCB soldiers left. Hope this helps out for my service & other's.
