### Part 3 – Desired outcome

**Provide a summary of your submission:**

I wish to address the fact that service to RCB is not recognised as warlike. Prior to embarkation with 3rar in 77, we were told we had to complete a will due to the nature of the service. We were told that the penalties for indiscretions were more severe as we were in an active service area. Whilst i was serving at RCB jun to september 77, myself and another pte came under fire from outside the fence on the boundary of the airbase. This precipitated the erection of a fence behind the barracks to eliminate line of sight for th CTs. I have

pic of fence being erected if necessary. We were issued with live ammunition whilst patrolling. ( not necessary for training id have thought).
